

Hao Expression Dance Company

Hao Expression Dance Company (HEDC) is a registered 501(c)(3) nonprofit organization dedicated to enriching the lives of adults and youth through the dance arts.

We have a dual mission: to support the creation of new, high-quality dance works by providing a vital platform for artists to perform, choreograph, and stage their vision; and to cultivate a deeper appreciation, understanding, and passion for dance that enriches our community, empowering both participants and spectators alike.

As a 501(c)(3) nonprofit organization, HEDC relies on the commitment of individuals, foundations, and businesses who share our belief in the transformative power of dance. Our continued success relies on your belief in our mission.

We invite you to partner with us by making a future financial contribution. Your support will ensure we can continue to fairly compensate the talented choreographers, directors, and artists who bring our work to life in our upcoming season. Furthermore, your generosity will directly fund the beautiful costumes, backdrops, and sets that will create the immersive experience of dance for audiences next year.

Donating is fast and secure! Scan the QR code below to contribute instantly via Venmo or PayPal, or visit our website to learn about the artists and all giving options.
